# Cerity. WORKERS' COMP INSURANCE

We've made it easy.

We've built a simpler way to provide workers' comp to your clients.

The industry standard process can take days or weeks.
Now you can go from submission to completion in mere minutes.

1 Submit Client Information

Input basic client information and we'll generate an estimate in minutes. No documents required.

2 Share Quote

Quotes are automatically saved to your portal and sent to your client for review and acceptance.

3 Report Payroll

Send us their payroll report, and we'll take care of the rest!
